

A photograph of a Chicago street scene at sunset. Tall skyscrapers line both sides of the street, with the sun low in the sky between them, creating a warm, golden glow. A elevated train (CTA) is visible in the middle ground, crossing the street. In the foreground, a yellow taxi cab is driving towards the viewer, and several pedestrians are walking on the sidewalks. The overall atmosphere is urban and vibrant.

PRODUCT MANAGEMENT + AI INNOVATION

INNOVATION 2019

The convergence of product, AI
innovation, machine learning and
advanced technology

**MAY 16 & 17, 2019
SHERATON CHICAGO O'HARE**

THURSDAY, MAY 16TH

Keynotes

8:30am

Innovation with AI @ Cars.com

Dave Domm @ Cars.com

9:10am

Operationalize AI @ Wells Fargo

Ravi Kalluri @ Wells Fargo

9:50am

AI Innovation in Healthcare @ Optum

Mattew Versaggi @ UnitedHealth Group

10:30am

Modern Work Management

Alyssa Sharp @ Workfront

Breakout Sessions

11:00am

*How to Build a Sustainable Engine for a High Performance
Machine Learning Team*

Rosella Blatt Vital @ Wunderlic

Product Metrics that Matter

Nagini Indugula @ NCSA Sports

11:40am

AI, Machine Learning & Deep Learning

Zhengpin Ji @ Motorola

Product Roadmapping & Vision Planning

Aaron Noparstak @ Casechek

1:00pm

AI & Machine Learning Automation

Charles Parker @ BigML

Building World Class Products

Shilpa Mohanty @ Braintree/Paypal

THURSDAY, MAY 16TH

Breakout Sessions (cont'd)

1:40pm

Machine Learning that Drives @ Cars.com

Srini Palthepe @ Cars.com

Revolutionizing Sports Products Using AI

Bryan Shumway @ STATS

2:20pm

Machine Learning and Predictive Analytics for Heavy Industries

Heneu Tan @ Uptake

Driving Innovation Success with Strategic Partners

Rohit Bennur @ Capital One

Afternoon Keynotes

3:15pm

Digital Innovation with AI @ Bayer

Navini Plavarapu @ Bayer

4:00pm

Creating a Culture of Innovation

Andria Long @ Innovation Coach

4:50pm

Technology Showcase with Logi Analytics

5:00pm

Networking Reception and Meet the Sponsors i

FRIDAY, MAY 17TH

8:30am

A Roadmap for Exponential Growth

Rob Gonda @ Chameleon Collective

9:10am

Innovation through Artificial Intelligence @ Microsoft

Robert Stackowiak @ Microsoft

9:50am

Driving Innovation and Growth Using AI

Guha Athreya Bhagavan @ Grainger

Breakout Sessions

10:45am

Conversational AI, Computer Vision and Machine Learning

Ben Post @ Edmentum

Can We Make Experiences People Love

Ethan Smith @ Expedia Group

11:30am

Cognitive Technology & Intelligent Agents

Matthew Versaggi @ UnitedHealth Group

Product Management: Pivoting from Tactical to Strategic

Jeff Krzeminski @ Thomson Reuters

Afternoon Keynotes

1:00pm

Data Science for Product Innovation

Michael Lahm & Victoria Mansfield @ UnitedHealth Group

1:40pm

Developing an AI Enabled, Multi-services Tele-health Platform

Muthusamy Selveraj @ Cloudbreak

2:20pm

Creating Value with RPA and the Virtual Workforce

Pritam Das @ CME Group
